The March Issue of OTAN's Teachers' Digest is Available

Posted on 03/29/2017

The March 2017 issue of OTAN's Teachers' digest is available here . The Teachers' Digest is a monthly online publication that features links to articles on the OTAN Web site, as well as links to interesting online resources and information featured by other adult education and education technology entities. Information about professional development opportunities offered by OTAN is also featured.

This months' Web-based Class Activity focuses on Games that are used to build vocabulary.

Remember to scroll down the page to see OTAN's latest Online Workshops and Webinars and our Face-to-Face workshops.

If you would like to receive an e-mail letting you know when the new Teachers' digest is posted simply logon to the OTAN Web site and select "Preferences" at the top of the page. If you are not already logged on you will be asked to do so, or to register. OTAN registration is free. Once you are logged on, scroll to "Send me these OTAN publications" and select the publications you wish to receive.
